WHOLESALE ONLY

The following list covers items that are available for Spring 1962.

TERMS - 5% discount allowed, if remittance accompanies order, or when paid on delivery. Terms extended only where credit has been established. Boxing or baling is additional at cost.

RATES - 5 to 24 sold at 10 rate; 25 to 199 at 100 rate; 200 or more at 1000 rate. Where less than 5 are ordered add 10¢ on shrubs and 50¢ on evergreen and shade trees for single rate.

GUARANTEE - No complaints honored unless made within five days after receipt of goods. All material to be in first class condition when shipped. NO GUARANTEE GIVEN AS TO GROWTH OF MATERIAL.

LOCATION - We are located at Fairview in the fertile garden belt, two miles from Lake Erie, and twelve miles west of Erie, in northwestern Pennsylvania. The office is located at 131 East Water Street, and packing barns at 13 East Main Street, on U.S. Route 20. Interstate East and West Thru-Way No. 90 passes two miles south of Fairview. Use Fairview Exit.

CERTIFICATION - All orders shipped outside Japanese Beetle Quarantine Zone automatically certified. Certification within Quarantine Zone upon request only.

SHIPMENTS - We arrange for bulk shipments of B&B stock by independent truckers who specialize in hauling nursery stock. On liner orders give SPECIFIC SHIPPING DIRECTIONS. We do not recommend commercial truck shipments especially if more than one line must handle. Railway Express, in spite of cost, is more satisfactory. On large orders of liners in areas served by our truckers, we will ship in bulk. When doing this, stock will be packed in rolls with no charge for packing. Delivery usually is made next day as trucks leave in the evening and travel through the night.

WE EXTEND YOU A HEARTY INVITATION TO COME AND SEE OUR STOCK.
